Note:

Please check online for more details and the latest updates.

For all games in the Mixed Doubles, the teams will toss a coin to decide first and second practice. At the conclusion of the team's pre-game practice, both players deliver one stone each to the tee at the home end. The distances recorded for each stone are added together to give the team its Last Stone Draw total. The team with the lesser Last Stone Draw total has the choice of delivering first or second stone in the first end.

The first named team in each game plays the stones with the dark coloured handles, and wears dark coloured upper playing garments. The second named team in each game plays the stones with the light coloured handles, and wears light coloured upper playing garments.
